

Weatherford College Financial Aid Statement of Satisfactory Academic Progress (SAP)

The following standards are effective and are adopted according to federal mandates for the purpose of determining a student's continued eligibility for financial aid. All students receiving federal or state financial aid must maintain satisfactory progress for all periods of enrollment regardless of the receipt of financial aid. Academic progress is evaluated at the end of each fall, spring, and summer semesters.

NOTE: Some non-federal student aid programs (i.e., state and private foundations) have specific SAP requirements unique to the individual program. In those instances, the program requirements will supersede the general SAP policy stated here. It is the student's responsibility to understand the requirements of each financial aid program from which aid is received.
