

Required Courses

Students are not compelled to register for certain courses when they enroll in college. A course is required only in the sense that it must be completed to meet the requirements for a degree; however, students must bear in mind that some courses specify prerequisite courses or permission of the instructor. Students who wish to earn a degree at Weatherford College or a bachelor's degree when they transfer should enroll in courses required for the degree they seek. Developmental courses required due to TSI can be required in addition to degree requirements.
