

Care and Prevention of Athletic Injuries

Class

KINE 2356

Prevention and care of athletic injuries with emphasis on qualities of a good athletic trainer, avoiding accidents and injuries, recognizing signs and symptoms of specific sports injuries and conditions, immediate and long-term care of injuries, and administration procedures in athletic training. Three hour credit.

Required Textbooks

None – materials will be provided by the instructor

Evaluation Standards

Student success is measured by assessment techniques aligned to course goals and learning outcomes. A variety of techniques may be used, including but not limited to objective exams/quizzes, classroom participation, physical assessments, demonstrations, written reports and group projects. Individual faculty members may also include selected computer programs and demonstrations of health facts with the aid of media and laboratory. Individual faculty members are responsible for designing evaluation instruments to measure student mastery of course goals and learning outcomes and for indicating the nature of such instrument in the instructor's class requirements.

Semester grade will have letter grade assigned as follows

90-100 A

80-89 B

70-79 C

60-69 D

Below 60 F

Academic Integrity

Academic Integrity is fundamental to the educational mission of Weatherford College, and the College expects its students to maintain high standards of personal and scholarly conduct. Academic dishonesty of any kind will not be tolerated. Academic dishonesty includes, but is not limited to, cheating on an examination or other academic work, plagiarism, collusion, and the abuse of resource materials including unauthorized use of Generative AI. Departments may adopt discipline specific guidelines on Generative AI usage approved by the instructional dean. Any student who is demonstrated to have engaged in any of these activities will be subject to immediate disciplinary action in accordance with institutional procedures.

Lab Fee
