

# Standards of Progress – State of Texas

## TEXAS GRANT ONE (1) PROGRAM

This program is no longer offered at the Community Colleges. Only students who are considered renewal awards can be eligible.

## TEXAS EDUCATION OPPORTUNITY GRANT (TEOG)

The initial Texas Equal Opportunity Grant (TEOG) funds are awarded to students with an expected family contribution (EFC) of 0-6,454. (2022/2023) The amount of the award depends on what the Texas Higher Education Coordinating recommends each year. They range from \$500 to \$1,707 per semester. To be eligible for TEOG, a student must be enrolled in at least 6 credit hours (half-time) and have financial “need” as determined by their FAFSA application. The initial first-year award is based on the school's satisfactory academic progress policy which is a 2.0 Cumulative GPA and a 67% pace of completion rate. For the initial award, a student must not have exceeded 30 credit hours. The renewal year is based on a 2.5 cumulative GPA and a 75% pace of completion rate with maximum attempted credit hours not to exceed 75. This grant can be awarded *up to* 4 years. If a student fails to meet the academic standards of the grant, attempts too many hours, or if the student exceeds the 4-year maximum, they will no longer be eligible for the TEOG.
