

Transcript Requests

<https://wc.edu/about/administration-departments/registrar/ordering-wc-transcripts.php>

A transcript of college work is an official copy of a student's permanent academic record bearing the college seal and the signature of the registrar. All delinquent fees must be paid to the Business Office and all holds cleared before a student's transcript will be released.

Weatherford College, in partnership with a third-party vendor, now delivers official transcripts electronically to other colleges/schools, potential employers, military recruiters and to students themselves. Transcript requests are typically processed within 2 to 3 business days.

Unofficial transcripts may be printed from an active myWC account.
