WEATHERFORD COLLEGE INSTITUTIONAL MISSION STATEMENT

Changed to:

Weatherford College embraces a culture of excellence, fostering the success of all of its students and enriching the communities it serves through innovative, affordable, and accessible learning and cultural opportunities.

EXPANDED MISSION AND PURPOSE STATEMENT

As a publicly supported, comprehensive community college, Weatherford College primarily serves the needs of the citizens of its service area through teaching, public service, and learning and cultural experiences.

Weatherford College offers courses pursuant to a spectrum of educational goals:

- Bachelor of Applied Science Degrees
- Associate of Arts degree

- Associate of Science degree
- Associate of Applied Science degrees
- Field of Study transfer majors
- Core transfer curriculum
- Workforce training
- Adult literacy and other basic skills
- Personal enrichment

Weatherford College maintains a culture of caring that encourages student pursuit of educational excellence. The College offers counseling and guidance to help students identify and attain their personal goals.

Weatherford College requires professional development of all full-time employees and encourages research to seek out, develop, and implement methods to improve student learning. Weatherford College also conducts research to ensure that the College offers programs that contribute to the cultural and economic wellbeing of the service area citizens.

Weatherford College fosters a culture that embraces diversity and inclusion. The college embraces continuous improvement through systematic and regular planning, execution, assessment, and improvement.
