Athletics at the intercollegiate level offered at WC include baseball, softball, rodeo and men's and women's basketball. The program is administered by the athletic director with administrative review. The college is a member of the National Junior College Athletic Association, Northern Texas Junior College Athletic Conference, and the National Intercollegiate Rodeo Association. Students may also participate on intramural sports teams including flag football, basketball, volleyball, and softball.

The intercollegiate athletic program at WC advocates the personal growth and education of students through their participation in a comprehensive program of NJCAA, Division I sports. As an integral part of the College, the intercollegiate athletic program actively promotes gender equity and diversity, and provides community enrichment. If you feel that you have the ability to compete at the intercollegiate level and would like to express your interest in a new sports program, please let those interests be made known to the Director of Athletics.
