

MHSM 4361 : Health Care Management Practicum

This course provides an opportunity for the student to experience health care management on site at a health care facility under the supervision and guidance of experienced health care management professionals. During this period of time, the intern will put into practice the skills and knowledge acquired during the classroom experience in the program. A period of 144 hours at the site will be required in order to fulfill the goals and objectives of this practicum. The practicum student will be assigned to a health care facility during the first two weeks of the semester and will be there on-site for the next three months to fulfill the required hours.
